**The CARE Project  
Presents  
Parent Professional Collaborative:  
Understanding & Managing  
the Emotional Journey of Families**

**February 22-23, 2019**

**O'Henry Hotel  
Greensboro, NC**

The Children's Cochlear Implant Center at UNC is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

Parents of children who are deaf and hard of hearing will come together with Professionals who provide services for them to focus on the emotional journey.

Parents will gain resources to help them better navigate the journey and systems of services.

Professionals will gain a deeper sensitivity of the emotional journey and how to change their own culture of communicating information to families.

*Please note: this is a child-free event!*
